THE NEXT MORNING AFTER.
The exquisite Miss Blanche Ellen Tuckett
Swigged whisky and beer from a bucket;
But the lady turned pale
When she landed in jail;
And now she is sorry she tuckett.

Genuine Turtle Soup tonight at Dutch's Place.

Miss Anna Dodson of West Fourth street has the measles.

A Tribe of Redmen will shortly be instituted at Bratton, Robertson county.

The Illinois House of Representatives has passed the 2-cent passenger fare bill.

Miss Winnie Elgin entertained a number of friends with a six o'clock supper at her delightful home in West Third street Tuesday evening.

The funeral of E. M. Witt will take place tomorrow at 1 o'clock at his late residence in Wedonia, with services by Rev. W. W. Hall. Interment in Maysville Cemetery.

Hon. W. H. Cox returned home yesterday from Denver. Miss Roberta is convalescing and together with her mother and aunt will leave for home in the early spring.

W. McMILLIN.

The marriage of John Kurtz and Miss Cora Curtis, two well-known and popular young folks living near Germantown, will take place Thursday, March 21st. The bride is the daughter of Alfred Curtis, and the groom is a son of Fred Kurtz.

Theo Powers, who has lived on the Henry Norris place near Fern Leaf for the past eighteen years, moved this week to the Oscar Barrett farm on the Maysville pike. Lucien Norris will move to the farm vacated by Mr. Powers.

James Brown, the polite and accommodating messenger at the Western Union Telegraph office, who has been very ill the past four weeks with grip at the home of his parents, Mr. and Mrs. C. T. Brown of East Fifth street, is improving and is now able to sit up in bed.

"We have conducted twenty funerals in the past two weeks and seventeen were persons residing in the city," remarked a funeral director yesterday. There are four establishments in the city and all have been equally busy. All of which indicates an unusual death harvest, the like of which has never been known in this community.

ESPLANADE NEGLECTED

Once "Fountain Square" Now a Dumping Place

It is a shame the way Market Street Esplanade has been neglected and allowed to decay as it has.

At one time it was the most beautiful spot in the city, and could again be restored to usefulness and beauty by replanting a few hardy trees.

It is city property and cost some several thousand dollars and it is certainly worth while looking after.

Instead of using it as dumping place for every old and useless thing that comes along, restore it to its original condition and use it for the purpose for which it was intended.

HORSE MARKET

Maysville and Mason County the Home of the Thoroughbred

Maysville has become an important horse and mule market, and outside buyers visit this point at frequent intervals and always spend from a few hundred to several thousand dollars on each visit.

Every liveryman is a buyer and seller of horses, and there are several horsemen in our community and county who are always in the market for horses and mules which find a steady market and are the equivalent of so much cash.

Besides being a good market for equines the raising, development and training of horses is on a steady increase in Mason county.

These horsemen are valuable people and THE PUBLIC LEDGER is glad to note the prosperity of the industry in our county; which, besides bringing thousands of dollars here is adding fame abroad as a country producing the best thoroughbreds to be found in the world.

In having his case tried at Sandy Hook, is JIM HARGIS getting ready to throw the books into his enemies?

FIFTY-THREE members of Congress have gone to inspect the Panama canal. Why not hold the next meeting of Congress at Panama or Colon?

The Senate passed the bill appropriating \$25,000 for the completion of a monument to the American soldiers who fell at the battle of New Orleans.

EX-SENATOR JOE BLACKBURN fooled lots of his Democratic enemies who thought he was on the toboggan sliding toward oblivion. But he has landed a \$10,000 dollar job that beats a \$5,000-a-year Senatorship.

The state of Kentucky doesn't seem to be making much headway in replacing the headless statue of HENRY CLAY in the Lexington Cemetery. The city of Lexington probably has forgotten that such a man as HENRY CLAY ever lived.

In Central City an epidemic is killing off the cat population. One man lost nine in one night. A man that would own nine cats must have a feline for the species. By the way, why are not cats taxed like dogs? But this would be unjust to the spinsters who love cats because they haven't got a man to boss.

NO DOUBT Senator BAILEY is de-lighted that his "ree-cord" is not given in The Congressional Record. But just wait until next winter.

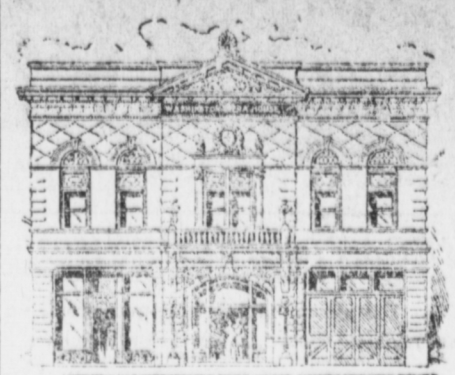

THE total appropriations of the Fifty-ninth Congress at both sessions were \$1,799,537,864.79. That seems like a heap of money, but there's almost enough money deposited in the banks of New York City to pay all the appropriations of the last Congress.

THE National Cash Register Company, one of the largest and finest, if not the finest and best conducted manufacturing plant in the world, will, it is said, move from Dayton, O., to another city. President JOHN H. PATTERSON of the company declares he is tired of Dayton and that it is the wickedest city in this world.

HARRIMAN, the railway highway magnate, weekly declares to the Interstate Commission that the railroads will obey the law and co-operate in its enforcement. It is quite a novelty to the American public to have the railroads do this. Heretofore the railroads never paid any attention to the laws and thought the common people had no rights which they were bound to respect.

THE United States Supreme Court has granted a motion made by the Commonwealth of Kentucky to advance three cases which involve the constitutionality of the local option laws of the state. The cases were carried up by the Adams Express Company and the American Express Company, which were indicted and convicted under the criminal statutes for selling whisky in a local option district in Kentucky, and for delivering whisky and accepting c. o. d. charges prohibited under the state laws. The express companies claim that the traffic was interstate commerce, and therefore not subject to local laws, but the Court of Appeals of Kentucky held that the transactions were not interstate commerce.

SENATOR JOE BAILEY is about the quietest individual extant. A good licking is generally of vast benefit to a person, and the "investigation" that was gratuitously handed out to the Senator, was a warm number, and was calculated, if anything will, to make him go way back and sit down.

REV. DR. CHARLES H. PARKHURST disagrees with the conclusions recently reached in Chicago as to the main cause of intemperance. When questioned as to three main causes, he gave the following:

- "1. The monotony of the workingman's life.
- "2. The discomforts of domestic life.
- "3. Actual desire for the social fellowship found in saloons."

COURT'S OPINION

Decision in the Suit of Buckley's Assignee v. Stevenson.

The Court of Appeals recently reversed the suit of Buckley's Assignee, etc., v. Scott Stevenson, taken up from this county, Judge Settle rendering the following opinion—

First—Lands—Liens—Life Tenant.—The life tenant can take no interest in the land as against a mortgage lien. His interest is as much subject to the lien debt as is that of the remaindermen.

Second—Judgment—Premature.—The holder of the lien should have been ruled to answer in order that the court might definitely know in advance of ordering a sale of the property what the debts amounted to. And the averments of the petition that the land is not devisable can not be taken as confessed as to infants, or nonresidents.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

YOU WILL RECEIVE AN Easter Gift!

Easter has long since been considered as a close second to Christmas, so far as gift giving goes. Because it is customary you will receive gifts, and for the same reason you should arrange to give them. Jewelry makes the most appropriate gifts—Beads, Combs, Bracelets, as well as Necklaces for feminine adornment. The men delight in showing their Studs, Scarf-pins, Chains and Charms. Watches and Finger Rings are much in evidence. Everything in Jewelry likely to be asked for is here.

Make Your Gardening Count

The first thing that helps to make your year's work in the garden profitable is to get fresh, reliable seed—the kind you can be sure of getting here. We are agents for Landreth's Seeds—seeds with a pedigree. You cannot tell the character of a seed by looking at it; so you have to rely on the dealer. The seeds we carry are all of last year's raising. In planting them you can be sure of a good crop and of the exact variety you want. They cost no more than the uncertain kind.

Choice Sweet Peas

If you desire sweet peas in a wide range of color our choice mixed are the kind to plant.

Generally speaking, it may be said that most of the ivory imported into Europe comes from Africa. Some is Asiatic, but much that is shipped from India is really African coming by way of Zanzibar and Mozambique to Bombay.

According to an authority the world's wine production in 1906 is estimated at 3,775,060,000 gallons. Europe furnished more than 95% of the total, and North and South America about 4%. France holds first place among the wine producing countries, the United States ranking twelfth.

With the view of swelling dwindling Church attendances, Rev. Joel Rossiter of the First Reformed Church, Baltimore, proposes to install a blazing electric sign over his Church. Dr. Rossiter says crowds are attracted to the theaters by electric signs, and he sees no reason why churches should not advertise the services in the same way.

The most difficult gambling to keep in check both in Singapore and Penang is gambling among Straitsborn women of all classes from the highest downward. Frequent complaints are received from husbands whose wives have lost heavily, and it is known that there are five lotteries opening more or less daily in Singapore which are almost exclusively supported by "natives."

The feat of moving a lighthouse without taking it apart or dismantling it in any way has recently been accomplished at Ashtabula. The range-light, weighing 65 tons and standing 65 feet high, was placed on a lighter and towed along the river a distance of 750 feet, and then successfully placed on a new site. It was raised by the use of jacks and moved on rollers to and from the lighter. Guy ropes held it in position while moving.

CHURCH RECEPTION

Rev. P. A. Cave to Observe First
Anniversary of Pastorate

Rev. Preston A. Cave the first of this month
closed his first year's work as Pastor of the
Maysville Christian Church, and in honor of the
anniversary he and his good wife have arranged
for a reception to be given at the Church Thurs-
day evening, the 14th, from 7 to 10 o'clock.

Refreshments will be served by the Ladies'
Aid Society in the Sunday-school room during
the reception from 7 to 8:30, and a program of
music and addresses will be given in the audi-
torium from 8:30 to 10.

Every member of the Church, old and young,
is earnestly invited to attend.

The work of the Church the past year, in all
its departments, has been very gratifying.

During his Pastorate Mr. Cave has received
twenty-three into the Church, making the total
membership now 465, 121 of whom are non-
residents.

Through the several organizations the Church
has raised \$3,933.90 for all purposes, the best
report in its history.

Mr. Cave has officiated at twelve weddings
and conducted fourteen funerals in the twelve
months just closed.

The Vanceburg Spoke Factory recently
shipped a car load of its products to Canada.

The annual meeting of the Kentucky Educa-
tional Association will be held at Winchester in
June.

About 74,000 pounds of tobacco were sold on
the Lexington market Wednesday at \$5 to
\$13.50.

Mr. S. P. Blanchard, a brother of Miss Lillie
Blanchard of Washington, died the first of the
week at Prescott, Ariz.

cover from them money which they received as
dividends on their holdings.

Leander Bailey, aged 10, was killed by the
discharge of an old army pistol which was dug
up on a farm in Laurel county, after having
been buried perhaps forty years. The charge
and the cap retained their power, and when a
cousin hammered the cap the powder was ex-
ploded.

MRS CASSIE CHADWICK

Although in the Penn Yet She Fares
on Two Dollar Meals a Day

The reports that Mrs. Cassie Chadwick is fast
failing in strength since entering the O. I. Peni-
tentiary more than one year ago, and that she
is now on the verge of a collapse are untrue.

Her health, if anything, has improved since
her incarceration," said Dr. J. H. Thomas, chief
physician of the prison.

Since she has been in the prison Mrs. Chad-
wick's sole ailment has been indigestion, due to
overindulgence in rich foods.

Each night a cab rolls up to the prison and
the best dinner that a famous restaurant and
chop-house can provide is carried in to her.

This meal costs, on the average, \$2, and the
bill is paid by the woman's Columbus lawyer.

Other bills she contracts are similarly dis-
posed of.

Wealth from some hidden source provides her
with luxuries.

HOUSEHOLD CARES

Tax the Women of Maysville the Same
as Elsewhere.

Hard to attend to household duties
With a constantly aching back.
A woman should not have a bad back.
And she wouldn't if the kidneys were well.
Doan's Kidney Pills make well kidneys.
Here is a Maysville woman who endorses this
claim:

Mrs. Lizzie Bridges, of 206 West Third street,
Maysville, Ky., says:

In March, 1900, I gave a testimonial recom-
mending Doan's Kidney Pills and in it I told
how I learned the great value of this remedy.
I had been troubled with a bad back and weak
kidneys from girlhood and in my efforts to find
a cure tried every medicine I could find but
without benefit until I began using Doan's Kid-
ney Pills. They proved just the remedy I needed.
They went right to the cause of the trouble and
as a result brought relief that led me to testify
in their favor. I have never been without
Doan's Kidney Pills in the house since. Every
spring I take a box whether symptoms of kid-
ney trouble are apparent or not, and in this way
keep the kidneys in good condition and guard
against attacks of my old trouble.

For sale by all dealers. Price 50 cents a box
Foster-Milburn Co., Buffalo, N. Y., sole agents
for the United States.

Remember the name—Doan's—and take no
other.
